

## CONSTRUCTION ALERT: Week of March 14, 2022

Ongoing Saturday work planned from 6:30 a.m. to 3 p.m.

Work hours shift to early morning start time for concrete placement on new bridge span, weather permitting.

**Monday, Mar. 14, 2022 | 3 a.m. - 3 p.m.**

### PROJECT MILESTONE

Crews will be placing concrete on the new western bridge span during two separate occasions in March. The first is tentatively scheduled on *Monday, March 14*.

Crews will be working extended hours to complete the task beginning at 3 a.m., with expected completion by 3 p.m.

### Traffic flagging at Hamner Avenue and Citrus Street is expected.

Project neighbors can expect normal noise associated with construction activities and construction vehicles traveling in the area of Hamner Avenue and Citrus Street, where traffic flagging will be in place to allow trucks in and out of the jobsite. Please reduce your speed in the area.

North facing view of the western span of the new bridge. Crews will be placing concrete on the deck of one segment and the stem and soffit of another segment this month.
