

Construction Alert: Week of January 24, 2022

Work hours shift to early morning start time for concrete placement on new bridge span, weather permitting.

Wednesday, Jan. 26, 2022 | 3 a.m. - 3 p.m.

PROJECT MILESTONE

Crews will be placing concrete in the second portion of the interior of the new western bridge span. Crews will be working extended hours to complete the task beginning at 3 a.m., with expected completion by 3 p.m.

Traffic flagging at Hamner Avenue and Citrus Street is expected.

Project neighbors can expect normal noise associated with construction activities and construction vehicles. Traffic flagging will be in place to allow trucks in and out of the job site at Hamner Avenue and Citrus Street. Please reduce your speed in the area.

A north-looking view of the temporary wooden structure for the new western bridge span on Hamner Avenue. Concrete will be placed in the second half of the bridge interior, followed by more concrete placement on the bridge deck in early 2022. This bridge span is expected to open in Spring 2022.
