

HAMNER AVENUE BRIDGE & WIDENING PROJECT

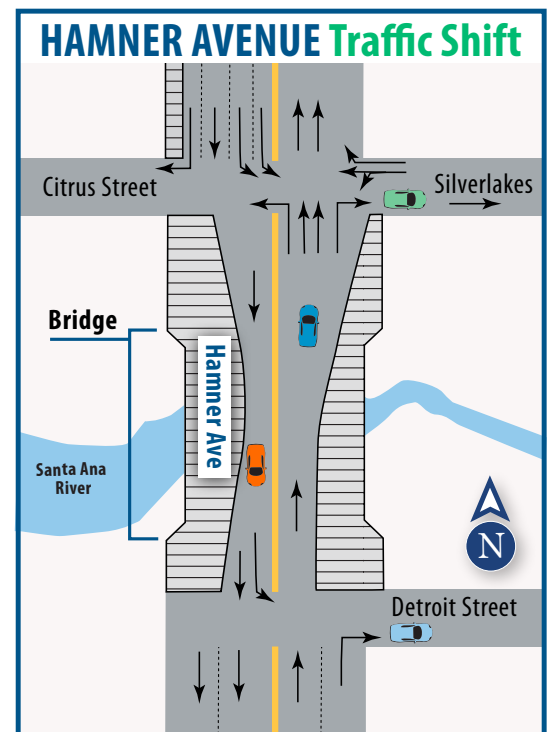

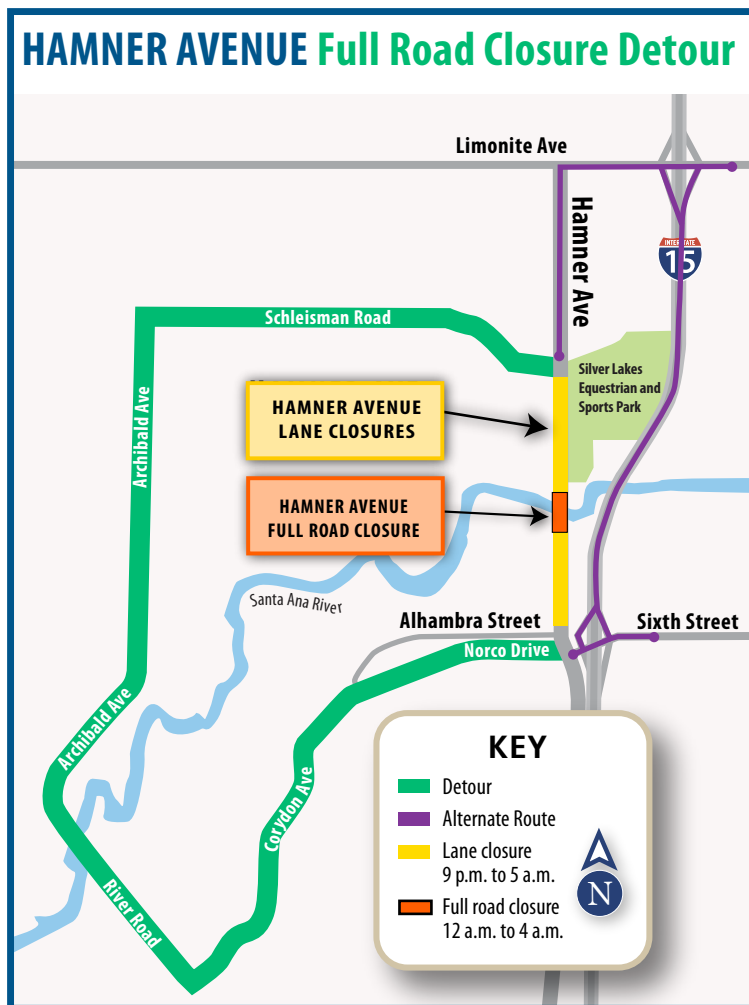

Construction Alert: March 8, 2021

Nighttime full road closure and single lane closures planned March 15 and 16, weather permitting.

A full road closure on the Hamner Avenue bridge over the Santa Ana River is planned from 12 a.m. to 4 a.m. on both Monday and Tuesday nights, March 15 and 16.

Single lane closures are planned from Citrus to Alhambra streets beginning at 9 p.m. to 5 a.m. Flaggers will be assisting motorists through the single lane closure. Follow the detour or use the alternate route.

Traffic pattern shift begins Wednesday, March 17, 5 a.m. The closures are necessary to restripe the road and shift traffic to the east side of the street. The traffic shift will make room for construction on the west side of the project.
