

HAMNER AVENUE BRIDGE & WIDENING PROJECT

Construction Update: Week of May 17, 2021

Daytime work continues with nighttime road closure planned on Hamner Avenue, weather permitting.

Road Closure

On Friday, May 21, Hamner Avenue will be closed from Detroit to Citrus streets for two hours from 10 p.m. to 12 midnight to mobilize oversized equipment in the project area. Please follow the signed detour shown on the map or use the alternate detour on I-15.

Project update

Bridge

- Permitted water diversion work begins in the Santa Ana River riverbed. When completed, construction can begin on the bridge footings in the riverbed.
- Work on the bridge support system footing near the southwest end of the bridge will be completed in preparation for an upcoming concrete placement.

Alhambra to Detroit streets

Construction and wall removal on the west/southbound side of the street continues and the sidewalk remains closed.

Detroit Street to Hamner Avenue bridge

Crews will be spreading large amounts of dirt on top of the embankment on the east side of Hamner Avenue to begin the 30-day embankment settlement necessary to stabilize the ground under the bridge support system.

Hamner Avenue bridge to Citrus Avenue

Large construction machinery continues to be mobilized into the Santa Ana River riverbed. Please watch for vehicles entering and exiting the construction zone.

Citrus Street to Schleisman Road Nothing scheduled this week.

Old Hamner Road

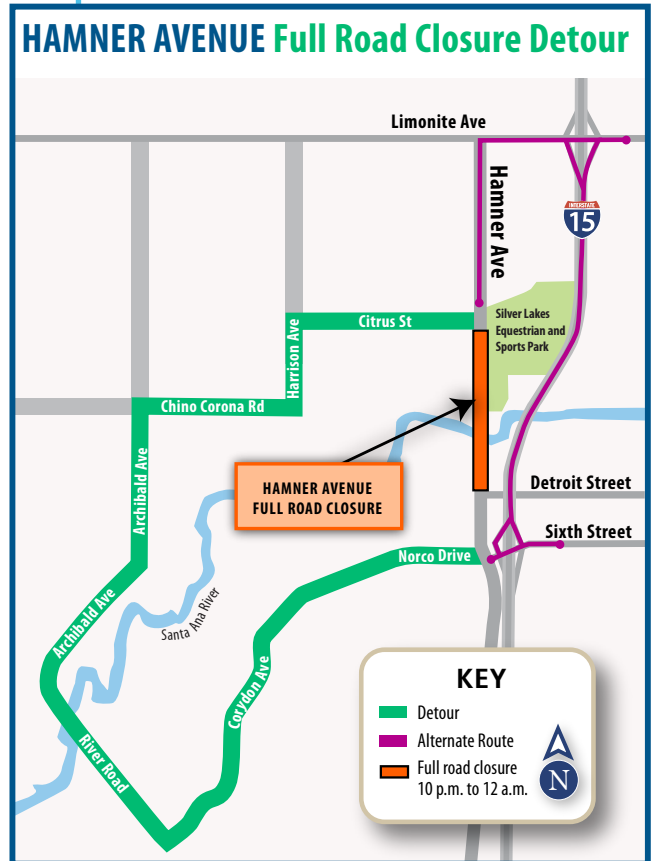

Crews continue mobilizing equipment to the south end of the jobsite using Old Hamner Road. Pedestrians, equestrians and cyclists must use caution while traveling through the area.

Nighttime Road Closure
Friday, May 21 from 10 p.m. to 12 midnight.

Daytime work continues in all areas of the construction zone.
