

# HAMNER AVENUE BRIDGE & WIDENING PROJECT

## Construction Alert: Week of January 25, 2021

**Nighttime single lane closures planned in the project area, weather permitting**

Nighttime single lane closures planned for Wednesday, Jan. 27 and Thursday, Jan. 28, from 9 p.m. to 5 a.m., weather permitting. The lane closure across the Hamner Avenue bridge will go from Detroit to Citrus streets. Traffic control will be in place and a flaggers will be on-site to assist with traffic flow.

### Project Update

- Environmental mitigation work is almost complete in the project area and on the bridge. This week, crews will continue working under the bridge to place bird netting that deters birds from nesting during construction.
- The project website is live at [HamnerAveProject.com](http://HamnerAveProject.com). Visit and sign-up to receive weekly updates and alerts to your phone and/or e-mailbox.

### Neighboring project

The City of Norco is working on the Detroit Avenue Watermain Replacement Project on Detroit Street. Motorists can expect lane and road closures with detours. Please follow posted signage and call 951-270-5678 with questions.

Looking south at the Hamner Avenue bridge and the project area with environmental fencing. Crews have been working in the riverbed to clear trash, debris and vegetation.

**Weather Permitting**  
**Lane closure**  
1/27 and 1/28  
9 p.m. to 5 a.m.
